

### *An Essential Tool for Maximizing Your Beverage Program*

From fruit smoothies to thick shakes, the Drink Machine Advance is an essential tool for adding or expanding a blended beverage program.

### *Smart Product Design*

- 6 optimised programs and automatic shut-off means you can turn it on, walk away, and achieve consistent results
- Pulse Control provides off-menu flexibility to fine tune recipes
- 1.4-Litre Advance container creates faster, smoother pours and has a longer blade life, resulting in time and cost savings along with improved customer experience
- 2.3 HP motor is designed to resist overheating when blending extra-thick ingredients, resulting in cooler operation and enhanced reliability during peak hours
- Sturdy controls provide improved grip
